SUMMARY

Creative and detail-oriented **UI/UX Designer with nearly 2 years of experience** designing intuitive, user-friendly, and visually engaging digital experiences. Experienced in wireframing, user flows, prototyping, UI design, design systems, and responsive web/mobile interfaces. Strong understanding of user-centered design principles with hands-on experience designing solutions for fintech, payments, merchant, and financial-service platforms.

EXPERIENCE

PayRup (BPS Plus Private Limited), Bengaluru, India

Dec 2025 - Aug 2026

UI/UX Designer

- Designed intuitive mobile and web interfaces for fintech and digital payment products.
- Created complete wireframes, high-fidelity UI designs, and interactive prototypes using Figma.
- Designed interfaces for services including
Fintech & Payments: AEPS, DMT, Wallet, Virtual Account, Recharge
Lending: Loan Module, Per Day Loan
Merchant: Onboarding, Distributor App, eShop
Transfers: Bulk Transfer
- Developed reusable UI components and maintained consistency across product screens.
- Collaborated with developers, product teams, and stakeholders to convert business requirements into user-friendly digital experiences.
- Improved navigation, information hierarchy, and interaction patterns across application screens.
- Designed **marketing creatives, promotional banners, social media posts, and product communication materials**.
- Created UI designs for **merchant onboarding, transaction flows, payment screens, service activation, and financial-service modules**.
- Prepared design specifications and assets for smooth developer handoff.
- Worked on responsive web layouts and mobile-first design principles.
- Created **motion graphics and promotional videos for product launches and marketing campaigns**.

Trionova Technologies Private Limited, Chennai, India

Oct 2024 - Nov 2025

UI/UX Designer

- As a UI/UX Designer at Trionova Technologies Pvt. Ltd., I have contributed to multiple end-to-end design projects across web and mobile platforms, focusing on creating intuitive, visually engaging, and user-centered digital experiences.
- Designed interfaces for services including - **BET Mobility Transportation, BET Mobility Corporate Employee Cab Booking App, Dots - Service Provider Platform, Purchase Order Web Dashboard, Medical Scribe AI**.
- Marketing Assets such as **LinkedIn, Instagram, Blog Banners, and Festival posters**.
- Designed and delivered multiple **digital products across web and mobile platforms, along with creating marketing videos for Instagram and YouTube**.

Essentiate, Chennai, India

June 2024 - Jul 2024
